## Unit of study options

The University of Sydney offers the largest selection of courses in Australia to Study Abroad students. Spring Friendly students will choose 1 unit from the Summer Session list and 3 units from the Semester One list. At the end of the final teaching week, students will take exams early and return home for summer.

Many unit of study options provide hands-on experiential learning in an Australian cultural context, including our credit-bearing Internship unit.

# Internships

Spring Friendly study abroad students have the opportunity to develop familiarity with Australian workplace culture while applying their academic learning in real workplace situations. By enrolling in our credit-bearing internship unit of study (ARTS2600), students can enhance communication, cross-cultural and interpersonal skills while gaining a competitive advantage in the graduate employment market.

## About ARTS2600

Students complete 8 hours of professional development training, 4 reflective assessments, and a minimum of 120 hours with a host organisation. The placement requires no extra fees and students receive a final grade that appears on their University of Sydney transcript.

We work with companies from a variety of fields including start-ups, technology firms, financial service providers and not-for-profit organisations. Recent placements include:

- Association of Chartered Certified Accountants (ACCA)
- AndironGroup
- Business Connector
- Gronade
- Platform Strategy Asia
- Resolution Institute
- The Brand Architect

## Eligibility

Applicants are placed on a best-fit basis. Placement is competitive and based on eligibility criteria, applicability of academic studies to the placement, and the outcome of a Skype interview. Eligibility requirements include:

- Cumulative GPA of 3.0 or higher on a 4.0 scale, or 'C' or better on the ECTS grading scale
- At least 1 year of university study completed

## Placement process

Soon after accepting your offer, you will receive an email containing a PDF of all internship opportunities for your upcoming program. Applicants rank preferences and the internship team matches students on a best-fit basis with our high quality host partners. Skype interviews and final placement will be completed before you arrive in Sydney.

Though every effort is made to place all eligible applicants, placement is competitive and not guaranteed. If you are not placed, you can enrol in a different unit of study.

# Guaranteed accommodation

We provide peace of mind in finding a place to live by offering our students guaranteed accommodation at Urbanest, a student accommodation complex situated fifteen minutes walk to campus and located on the doorstep of downtown Sydney.

Urbanest has their own social calendar and weekly sausage sizzle (BBQ) to promote a community atmosphere. Residents are 60% international and 40% domestic students, providing ample opportunities to meet Australians where they live and study.

Students who live at Urbanest have access to great facilities and services including:

- Fully furnished apartments with private ensuite bathrooms

- 20GB internet/month
- Social and study spaces
- 24/7 security system
- Gym and yoga room
- Cinema room

Accommodation is guaranteed as long as you apply by the advertised deadlines.

# Mates abroad Mentoring program

To ease your transition into Sydney life, foster an international culture, and share exciting adventures in Australia together, students are encouraged to join our Mates Abroad mentoring program. You will be paired with Australian student mentors and have the following opportunities:

- Meet and connect with Aussie mentors pre-arrival via email, phone or social media
- Support on arrival as you settle into life in Sydney
- Travel on a mode of Sydney public transport
- Experience the student lifestyle
- Share your mentor's support network and meet new people

Joining the Mates Abroad program is an excellent way to see the city as a local while jump-starting your social circle here in Australia.
